## Verse, freely

Mag-ic can some-times hap-pen, and when it hap-pens, I get car-ried a-way. So

trag-ic that now when it hap-pened, I nev-er hap-pened to think of the simp-lest things I

man-age ev-ry day, like to take out a pen and to write a num-ber down.

## Bossa nova, gently

12 F9

A day in bed, a day I will re-mem-ber. If

16 Abm6 Eb6/9

on-ly I could re-mem-ber your name.

20 F9

A sum-mer rain and no a-gen-da. I've

24 Abm6 Gm7 G7

nev-er known so ten-der a game. When

28 Cm7 D7 Gm7 Ab7

you closed your eyes, I could-n't see. And when

32  $B\flat$ maj7  $Dm7(b5)$   $G7$   $Cm7$   $F7$

you op-ened them up a-gain, my God, how you looked at me! Could you

36  $Fm7$   $B\flat7$   $E\flat$ maj9  $D\flat$ maj9

be as craz-y for me as you seemed? Or

40  $Cm7$   $F7$   $Fm7$   $B\flat7$

was it all, as u - su - al, a dream?

44  $F9$

A day in bed turned in - to eve - ning, and

48  $A\flat m6$   $Gm7$   $C7$

then while I was sleep-ing, you si - lent - ly slipped a - way, and

52  $Fm7$   $G7(b9)$   $Cm7$   $F7$

here I am a - gain, just won - der - ing if and when you will re - turn.

56  $Fm7$   $B\flat7$   $A\flat$ maj7  $E\flat6$

I've been in bed all day.
